This one-of-a-kind Bowness home showcases exceptional attention to design and detail throughout. The open-concept main floor features soaring ceilings, tilt-and-turn windows, and a cozy living area with an electric fireplace (convertible to gas). The chef-inspired kitchen offers full-height German custom cabinetry, a library ladder for upper storage, a gas cooktop with pot filler, convection oven, and pull-out pantryâ€”perfect for seamless entertaining.

A versatile main floor room (ideal as an office, den, or guest room) opens to a charming â€œbijou courtyardâ€• garden. A sleek European-style wet room bath completes the level.

Upstairs, skylights flood the landing with light, leading to two spacious primary suitesâ€”each with its own ensuiteâ€”and convenient upper laundry.
