Residential on 0.03 Acres

Martindale, Calgary, Alberta

Handyman special! Soooo much potential here to make this a fabulous family home . The main floor boasts a living room, dining room, kitchen, powder room, and family room with access to your own backyard. Upstairs are 3 good sized bedrooms with an abundance of light and a 4 piece bathroom. Downstairs is partly developed into 3 rooms and could easily be finished to add more usable space and another bedroom. The dryer is newer and the hot water tank is 2017. A very well managed complex with great access to schools, shopping, and major roads. A fantastic buy in a great location!

Built in 1994
